

Preschool Quality Improvement Plan Summary

Chandlers Hill Kindergarten

Goals	Challenge of Practice	Success Criteria
For children to use increasingly sophisticated language to connect with their world.	If we promote children's sense of agency and engagement by organising learning environments in ways that excite children and promote small group interactions then we will see children engaging in and contributing to shared sustained conversations and co-constructing learning.	Children contribute their ideas. Children express their ideas and feelings. Children's vocabulary has increased. Children express wonder and interest in their environment.

National Quality Framework Priorities	Key steps
